

QA Audit Committee on Architecture Curriculum (Architecture Program) visits SoA+D

KMUTT Internal Audit Committee on Architecture Program assessed the key elements of SoA+D Quality Assurance in accordance with the Council of the University Presidents of Thailand Quality Assurance (CUPT QA). The Internal Audit Committee on Architecture Program, which was composed of Dr. Nakorn Srisukhumbowornchai (Assistant to the President for Quality Assurance and Chairman of the Committee), Assoc. Prof. Dr. Wichian Chutimaskul from School of Information Technology and Asst. Prof. Dr. Krittika Tanprasert from the Faculty of Industrial Education and Technology, visited the School of Architecture and Design, KMUTT on November 1-2, 2017. The main part of the assessment activity was the analysis of the previous documents of Architecture Program. The conference was attended by the administrators, and the committee interviewed teachers, supporting staff and students.
