

Training on internal audit quality assurance

KMUTT Quality Assurance section in cooperation with the Continuing Education Center, KMUTT hosted the training workshops on internal audit quality assurance. For those who have no experience in assessment, the course was in 2 versions conducted on May 5-7, 2011 in order to provide the participants with knowledge and skills to be good evaluators. The QA assessment of the School of Architecture and Design was used as a case study for analysis and evaluation. The executive committee interviewed faculty staff, students, alumni and employees and checked the documents. With 50 participants comprising of teachers and staff, the training also included visit at the laboratories, shops and gallery. Among the participants were Aj. Jitdhikorn Sundarasaradula, *Acting Deputy Dean for Academic*, Dr. Budsakayt Intharapasan, *Acting Deputy Dean for Student Affairs*, Mrs. Woranee Thongsook, and Ms. Panida Panich from the School of Architecture and Design.

Assoc. Prof. Dr. Somboonwan Satyarakwit, Vice President for Academic Affairs, Business Pundit University as a guest speaker
